

# **Do you know the environment of filming in Japan?**

**Is Japan has cooperative manner?**

**There are many wonderful locations in Japan, however Japanese is not cooperative for filming.**

**If we film in public space, we need to through complex process to city office. Japan Film Commission was established in April 2009. They are working to resolve this issue with Japanese government.**

**Is Japan expensive?**

**It's not true. The value of money is same as US and Euro.**

**There is no union in Japan, so the labor fee is very cheap compare Hollywood. Japanese crews work very hard from morning to night. See backpage for details.**

**Great foods in Japan!**

**You can enjoy ethnic foods in Japan, even for catering or lunch box. We will any order for your request. Of course we love Indian food.**

**What is "INUP"?**

**We are location coordination company in Japan. We will work on difficult location with 29 years experiences.**

**We had experienced more than 100 Prime time dramas(11 episode for 1 season), more than 50 films. We worked for Hollywood Movie "Babel." We also worked for England, HongKong, China, Korea.**

**If you have any question about Film, TV drama, Documentary and any works, feel free to contact us. We will work fast and best.**
